KP900KW

KP903KW

Ergonomically designed to provide maximum support
PUshion has a specially moulded cushioned arch support and a cupped heel for heel support.

Remains spongy and last longer
PUshion has memory that resets its spongy property unlike normal EVA insole.

Anti-static provision
The antistatic thread sewn into the PUshion insole provides conductivity to preserve the anti-static property of the anti-static footwear.

Massages your heel
PUshion has specially designed "massage studs" to reduce fatigue on heel.

Superior shock absorption properties
PUshion significantly reduces stress of impact on the heel and the forefoot as compared to normal EVA insole.

Keeps your feet fresher all day long
PUshion is lined with breathable and moisture transmitting top lining that contains anti-microbial additives which reduces foot odor.

Industrial Safety

Traffic Cone

Highly visible traffic cone help to warn hazards on site and roads. It offers an economical and convenient way of barricading off a stretch of work site or road

Color: Orange with reflective sleeve
Size: 18 , 24 , 30

Disposable 21" N-Woven Haircover

SKU: 210006503

Revolving Light - Baton Type

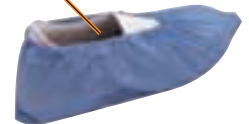

SKU: 210001809

Disposables - CPE Shoes Cover

➤ Made of a low density CPE film making them liquid-impervious and lint free

Packing : 100 pcs/pkt

Disposables - Non-Toxic Particle Mask

➤ Light weight & easy to breathe
➤ Good filtering efficiency
➤ Comfortable to wear
Weight : 240 gm
Packing : 50 pcs/box

Latex Examination Glove Powdered / Large

SKU: 210001709

Zebra Tape (Red / White)

Sizes Available:

2" (SKU: 210001601)
3" (SKU: 210001602)

Zebra Tape (Black / Yellow) With Adhesive

SKU: 210001603

Safety Products

Disposables - Face Mask Surgical With Elastic

- Without glass fibers
- Hypoallergenic
- Very low resistance to breathing
- Noise filtration capacity
- Perfect fitting

Packing : 50 pcs/box

Disposables - Vinyl Powdered & Powder-Free Disposable Gloves

- Perfect for the latex-sensitive
- These vinyl gloves contain no allergens
- Excellent sensitivity and barrier protection
- Treated with absorbable dusting powder

Packing: 100 pcs/box

Fire Blankets Loomstate Style 450

ZetexStyle 450 Fire Blankets is used extensively onboard ships, factories, commercial buildings and as an ideal fire prevention tool in household, especially for kitchen, dustbin and other small fires.

This blanket is a woven fibreglass fabric and comes in a satin weaved ie. smooth, soft and tightly weaved which protects against skin irritation. This fabric is only 0.45mm thick and can easily be wrapped around uneven surfaces. It also provides effective outer layer protection against unwanted contact with heat.

All Zetax Fire Blanket meets or exceeds British Standard 476 Part 7 and U.S. Standard United Laboratories (U.L.) 214. The blanket comes in sewn standard sizes of 4 x 4, 4 x 6, 6 x 6. Zetex fire Blankets comes in Container for ease of handling.

KillFIRE Dry Chemical (ABC Powder) Fire Extinguishers

Portable stored pressurized fire extinguishers are manufactured to SS 232, and approved by Singapore Civil Defence and Standards, Productivity and Innovation for Growth. Killfire fire extinguishers are manufactured in strict conformance to BS 5423: 1987. SS232/80.

KILLFIRE range of dry chemical fire extinguishers contain the best grade of ABC powder which deals with electrical hazards, flammable liquids, vehicle fires and gasses. Creating physical interception of the heat; cooling effects by aqueous vapor and carbonating action in the combustion zone. When these powders are applied to hot and smoldering surfaces, the particles fuse and swell to form a barrier which excludes oxygen and thereby completes the extinguishing process and prevents re-ignition.
