

Air Equipment

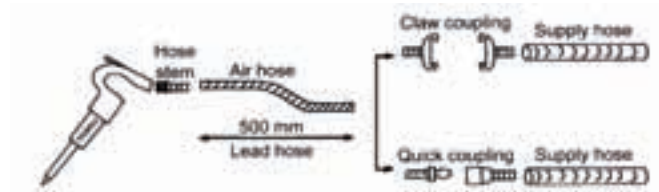

AA Series - Chipping Hammer

AA-0B

Toku Chipping Hammers are proven reliable and durable, meeting all demand at any construction worksites.

- Easy to handle - Good weight balance
- Least vibration at handle to reduce fatigue
- Precision spool valve design system to ensure maximum power against light body weight

Model	Description	Length	Shank Size 12 x 53mm
M8	Moil Point	220mm	
C8	Chisel	220mm	
C8L	Long Chisel	300mm
